Mme. Melba, with her operatic assoclates, gave the first of the two con-certs she has promised New Yorkers at the Metropolitan Opera-House night. She was greeted by a large aulience, one of those aggravating assemobtain by undue demonstration. It used left shoulder. Repeat many times. ompliment by the artist. Now it is very different. If the artist still thinks and exaggerate the usual desk position; about it at all, sine probably says to herself. They are after another sons, give one." Mine Melba, however, deserved all the applause she got. She was in splendid voice, and ther liquid. She sang an aria from Handel's "allegro' most brilliantly, emphasizing every thread on the labyrinthine lace work of the sons." A law "Ave Maria", by the public which reads other papers than "The World" will never discover this fact, for they all spell him "Hinckley." Mr. Hinkley says.

Mr. Hinkley says.

I appose that a great many of the nessespers spell my mass with a "c", "bat part of the "c" which is the way I spell it myzelf. Mr. Hinkley is also Chairman of the Democratic State Committee.

NOTES ON DECK.

Difficulty of Exchanging Civillities on a Romah Day.

(From Fun.)

About it at all, sine probably says to herself. The ordal and straighten up. Do this frequently, and you will find relief and restfulness from it. Carami the hand, lay asside the pening have been the hand, lay asside the pening have done to the tiffness out of it; now exhand it to list worn with a circle, the action mainly at the wrist; allow it to close of title through the word of the hand, relaxed, and shake the suffiness out of it; now allow it to close of title through the probably use this as Patti used "Home, which is the way it spell in myzelf.

Mr. Hinkley is also Chairman of the Democratic State Committee its. I am gist to see that "The World" spells my name with a "c" between the control of the contr about it at all, she probably says to also straighten up. Do this frequently,

Willie Collier, the jovial young actor, who used to be call-boy at Daly's The-atre, and who finally became so au-dacious that he finally gave imitations of daclous that he finally gave limitations of the manager himself, has been trying to forcake farce-comedy. He is presenting a new play called "A Back Number," in which he does work of the Sol Smith Russell order, and his friends don't like it. They want Willie to keep to the still contain the successful. Isn't it funny that the public move in dignity and grace. They are to make the attempt. Look at Nat Goodwin, Sol Smith Russell, Timothy Murphy and John Drew. In the last instance only has the actor been able to do as he liked.

doesn't walk well. In Europe every lady of the nobility is an object-lesson of the nobility is an object-lesson. The recipe for such need of affection is very simple, but one which is, nevertheles, hard to follow. "Love and you will be loved," is not a paradox, but a logical certainty: "seek the hap-niness of others and your own will follow." Is a truth founded in the very nature of things.

Soft Crabs.

The season for soft crabs is over. They come in May and leave in September.

The "Charley's Aunt" man gement are having a very unpleasant time with the pirates. There seems to be a strong desire to crib this play that has been so much talked about. The pirates rely upon foreign languages for secrecy and darkness. Nobody attempts to steal "Charley's Aunt" in English. It was cribbed and acted by German and Scandinavian actors in Chicago; an attempt was made to produce it in German in Fhiladelphia, and another in Salt Lake City. There surely never was a play

An enterprising Rhode Island publisher has offered to furnish it "Shenandoah" managers with any number of \$2.25 volumes of Gen. Philip H. Sheridan's life for 25 cents aplece. The publisher suggested that they would be so valuable as souvenirs. He did not know that the average theatrical souvenier fiend would sooner have a five-cent plaque or age theatrical souvenier fiend would sooner have a five-cent plaque or a ten-cent ash receiver than all the literature published. The souvenir fiend is a strange, uncanny brand of humanity.

I profit of \$2.5 volumes of Gen. Milk, eggs butter, beans and bread, but other things are required. The menu should be three-quarters fruit, vegetables, nuts and coarse grains, like hominy, cracked wheat, cornmeal, out-them flowed wheat, cornmeal, out-them flowed when the souvenir fiend is a strange, uncanny brand of humanity.

I profit of \$2.5 volumes of Gen. Milk, eggs butter, beans and bread, but other things are required. The menu should be three-quarters fruit, place of water. A well-known New York them flowed wheat, cornmeal, out-them flowed

"The Cotton King," just produced in Boston, was very tactfully boomed by Messrs. Brady and Corbett. While they were in London they sent out pretty cream-laid invitations from the English metropolis to the residents of the Back Bay, asking them to be present when "The Cotton King" was produced in Boston. This gave a sort of intangible veneer to the production, dontchernow. Before the plece was produced the name of Corbett was pasted over on the posters, because the Bostonians don't like nim. The first performance appears to have been a gala affair. Miss Bijou Fernandez, who seems to have made a very good im-

It was the employees that created the wealth, and they should be entitled to a share of it. It would be the noblest and most honest tax in the world. When a woman That will be a splendid programme at the Empire Theatre this afternoon for the Twelfth Night Cli la long enough to last through the twelfth afternoon for the Twelfth Night Cli la long enough to last through the twelfth north the twelfth to the witching hour. How though the twelfth north the state of the twelfth north that which make his a proud popper. He has a new boy, of the style so conventionally known as "bouncing." Congratulations are distinctly in order.

George Walton is the name of a comedian with a long history, who will make his debut in America Monday night in Walton is not beautiful to gaze upon, but he has that which managers are are always looking for, known as "a comedy face." Mr. Walton made his first appears are always looking for, known as "a comedy face." Mr. Walton made his first appears are and to be the man who led George R. Simp than the state of the sta

Won't Fight His Wife's Battles.

The treasurer of the Star Theatre has one joke, and to him it is furiously funny. There is quite a draught in the box-office, and "hen a man or woman places a bill in the opening of the window, the air wafts it inside. "Oh, oh!" exclaims the person, "there goes my money." "All right," replies the treasurer, "you've blown it in the right way," and then he chuckles all over.

Both of the German theatres will be "Won't Fight His Wife's Battles. To the Editor: Will some of the readers kindly advise me, lam a married woman thirty years old and my husband earns a good salary, we have a nice home, he is kind, &c., but no matter whom I have say difference of opinion or difficulty with, be will invariably take up with the opposite party. If I am insuited he will great that person cordially and welcome them to our home when of the following of the follow husband earns a good salary, we have a nice home, he is kind, &c., but no matter whom I have

A Lodging-House Inmate Kicks.

To the Editor: your readers, would some one say what right Supt. Byrnes has to order a census of any hotel Several men who make these houses their permanent home were absent on that night only. Does each failure to meet the consustabler disqualify JOHN T. PARSONS.

Why He Is Glad to Be a Widower. To the Editor: In reading confessions of husbands, I would like

for her to fit for herself, which I did, when she would have me act as a model for her for two hours at a time. After I had done so a few times she looked upon it as if I had to do so whenever she told me to. When I objected she became very indignant, and said when she teld me to do any its there any law or city ordinance prohibiting thing she wanted it done without a nord So the placing of circulars or advertising matter.

severely until I promised to obey her, which I did. After that she made a wrapper to fit me, so when I would be at home she would say to me to go and put on the wrapper, which I did, and she would keep me in the wrapper only at all times when I would be at home. Then I would or a public service to acknowledge, and who can have to do all the work about the house, such as put the idea into less than 100 words. Long letters washing, scrubbing and wash the dishes, while she would sit and read, and if she wanted to go out, which was very often, she would say what I must do, and if I neglected it she would say she would use the whip on me, which she would

rapid ascent to fame. Remember, the writer is one who wishes to become famous at any exneuse and at all hazards, and in the right way Brooklyn, Sept. 77.

Will you kindly inform me through the answers to correspondents in your valuable paper if a man of the following description died from sunstroke during the last week of July, 1894: Height, & feet 3 inches; complexion, dark; stooped a suits. Cought not a man to resent an insuit shoulders, targe frame, and wore when leaving rendered his wife?

IN TROUBLE. England full dark beard and mustachs. He had been in America but about two weeks, and I re-ceived a letter from his wife, from Manchester, England, asking me to make inquiries concerning im. If not able to give the required information, indly inform me of whom to make the necessary inquiries, and oblige, yours truly.
